

Pre-Primary K1 & K2 + 3pm Extension (subject enhancement/ relevant enrichment classes) program

Available at every branch, the new Pre-Primary K1 & K2 + 3pm Extension (subject enhancement/ relevant enrichment classes) program is recommended for every child who is bound for either i) Chinese primary/Chinese international schools but wants to maintain a good standard of Singapore math and English or iii) International school but wants to maintain a high standard of Mandarin.

The program provides a strong foundation for confidence and success in either primary choice, while at the same time, acclimatise to the extended hours common in primary school.

- ✓ The new Pre-Primary K1 & K2 + 3pm Extension (subject enhancement/ relevant enrichment classes) program will have a longer school day, from 8 am to 3 pm daily. This will include lunch and specialised classes in Chinese, Singapore Math and Bahasa Melayu.
- ✓ We have updated the curriculum to reflect the desire of the parents, needs of the graduating students and hence extended the hours to accommodate this.
