

Nursery 1 & 2

(3 & 4 years old)

- Our Nursery program is the bridging program from Playschool to Preschool through **gentle blending of guided play activities with functional academic foundations**.
- **Playschool Nursery 1** program focuses on further development of language & social emotional skills, while gaining the building blocks knowledge and sharpening skills for Preschool. A perfect stepping stone to Nursery 2.
- In **Preschool Nursery 2**, the focus shifts to phonics & numeracy competency. An excellent foundation to Pre-Primary and an all-rounded, holistic preparation program for all streams of primary school, while developing the whole child.
- Watch your child embrace positive attitude to learning & development of key life skills in these Nursery programs.
- Suitable after school enrichments: Music, San Yu Chinese, Dwi-Bahasa, Singapore Math, Speech & Drama, Taekwondo, Ballet.
