

Infant Care (2-17 months)

- A **stimulative care** program for babies with the lowest baby to caregiver ratio in town (2:1).
- Low number of infants means careful attention to every baby by experienced nannies and allowing **personalised schedule & customisable meal plan**.
- **Early stimulation program** includes whole brain stimulation, early literacy, physical exercise, music & movement, baby massage & wholesome diet by Dr. Sears Health Coach
- **High parent involvements** through careful consultations (pre-enrolment interview, starting solids, progress & development check ins, transition to toddlerhood consultation)
- **Daily reporting** of baby's day in nursery (including meal logs, bowel movements, nap times) through app & in-person
- **Guaranteed spot** into Trinity Kids Malaysia's highly acclaimed Playschool Toddler program

RM6,560/term
(3 months in a term)

Program type: 5 Full Days
(Monday-Friday)
